

he hang if they catch him
 odd on survival shrink shrink
 time to repair time to unlock time to enshrine nomad pilgrim
 trace beeline to witness
 slayer of giant in finest stocking flogging slayer of giant in finest stocking
 he hear he cheer
 post bounty post condition give no quarter
 bargain with fish still in water
 love camera slaughter
 risks increasing again
 every ruin is god is good
 nothing to say nothing to do
 when all else fail curse
 too much to do
 time to repair time to unlock time to enshrine nomad pilgrim
 trace beeline to witness
 then he head out door he take library
 not one glance backward
 fashion life from audio pain growl glare
 cold as aluminium foil
 hammering home pop top point fuck this and fuck you
 printed word on paper paper overflowing with printed word
 not worth dusty closet remembrance
 write about love life heat
 engine of holy ignorance
 footstep in distance
 no excuse
 time to repair time to unlock time to enshrine nomad pilgrim
 time to die
